## **EXAMINER'S AMENDMENT**

### **IN THE SPECIFICATION**

1. In the first paragraph of the specification after "2001," insert –now patent 6,663,746-- and after "1997" insert – now patent 6,306,242--. These amendments update the copending information of the application.
2. The following is an examiner's statement of reasons for allowance: Applicant's submission of a proper Terminal Disclaimer on January 6, 2006 has not only overcome the pending double patenting of the obviousness type rejections of claims 49 and 50 which were based upon his earlier patents 6,306,242 and 6,663,746, but also would be suitable for overcoming any double patenting of the obviousness type rejections of newly submitted claims 51 and 52 which might have (and very probably would have) been made based upon either of these two aforementioned patents.
